## School Aims:

To develop, promote and sustain an aspirational vision which underpins our continuous improvement  
To develop leadership at all levels, ensuring that learners, parents/carers, pupil supports staff and teachers are an integral part of school improvement  
To ensure high engagement and motivation of all learners through shared expectations and consistent standards  
To engage with our parents/carers and community in joint working to fully support our learners  
To ensure all learners make good progress from prior levels of attainment through robust tracking and monitoring  
To analyse and use a range of data to ensure every child leaves Bankton having achieved their full potential

### **ATTAINMENT AND ACHIEVEMENT**

To raise standards of educational attainment for all in school, especially in the core skills of literacy and numeracy, and to achieve better levels in national measures of achievement including examination results.

### **FRAMEWORK FOR LEARNING**

To support and develop the skills of teachers, the self-discipline of pupils and to enhance school environments so that they are conducive to teaching and learning.

### **INCLUSION AND EQUALITY**

To promote equality and help every pupil benefit from education, with particular regard paid to pupils with disabilities and special educational needs, and to Gaelic and other lesser used languages.

### **VALUES AND CITIZENSHIP**

To work with parents to teach pupils respect for self and one another and their interdependence with other members of their neighbourhood and society, and to teach them the duties and responsibilities of citizenship in a democratic society.

### **LEARNING FOR LIFE**

To equip pupils with the foundation skills, attitudes and expectations necessary to prosper in a changing society, and to encourage creativity and ambition.

### 2.1 Attendance

Regular and punctual attendance at school helps to maximise pupil experiences and ensure that each child accesses the full entitlement to formal education provision. There may be times where your child is late or absent from school and in keeping with all schools, we would ask you to notify the school at the earliest opportunity or by 9am on the first day of absence. An answerphone system is available 24 hours a day to allow you to leave a message about an absence. Where an absence is more than a couple of days we will agree with you how often we would like you to keep in touch.

Please help us develop in your child a regular habit of good time keeping. If circumstances arise when your child will be unavoidably late please provide a note of explanation.

The school enters pupil absence electronically using codes for particular reasons for absence. To ensure an accurate record is kept it is important that, should your child be absent, you provide an explanation for that absence either by letter or by telephone. Our school has a system which sends out an automated text message to a mobile telephone in cases of unexplained absence. The text is repeated regularly until answered. Parents/carers and schools must work in partnership in order to benefit from early notification of unexplained absence from school. Parents are urged to opt into this system.

The Scottish government has issued a directive informing local authorities that, due to the impact absences during term-time have on children's learning, any such absences will be recorded as unauthorised. Family holidays should therefore be taken out-with term times. If, in exceptional circumstances, you wish to take your children out of school, you must make your request to the Head Teacher in writing.

If you become aware that your child may be absent from school for a considerable length of time, due to illness or admission to hospital, you are requested to inform the school as soon as possible.

## 2.2 Ethos and Behaviour

In Bankton, we promote positive relationships and have established Values in place which we all aim to live by, these are RESPECT, PERSEVERANCE, INCLUSION, CO-OPERATION and KINDNESS.

Children learn to develop values and positive attitudes towards themselves and others in many aspects of the curriculum which in turn contribute to their personal and social development. Our schools work hard to build confidence and self-esteem and provide opportunities for children to contribute to the whole school community. Much of their development in these areas helps to lay the foundations for becoming responsible citizens of the future.

We promote and expect a high standard of responsible behaviour from pupils towards staff, other pupils and towards their surroundings. Self-discipline is the key to good behaviour and we depend on your support in reinforcing the discipline guidelines of the school.

These guidelines are based on mutual consideration, good manners and respect and are in place to ensure the safety and wellbeing of all pupils and staff in school.

### We ask your child to:

- Be honest
- Be kind and helpful
- Care for others
- Be hard working
- Look after property
- Listen to people
- Cross the road safely, using the crossing patrol wherever available.

### We ask your child not to:

- Cover up the truth
- Hurt others
- Hurt others' feelings
- Waste time or others' time
- Damage property or drop litter
- Interrupt
- Leave the school without permission.

## 2.3 School Dress Code

Each school has its own dress code, for the whole school, based on the Council's policy which all pupils will be expected to keep to.

Our school uniform can be purchased from BE uniforms –  
Embroidered Schoolwear & Clubwear ([border-embroideries.co.uk](http://border-embroideries.co.uk))

Our school uniform consists of:

Light blue polo shirt

Navy sweatshirt

Black trousers/skirt/pinafore

PE uniform to be worn on PE days, consists of:

Navy hoodie (can be purchased from BE uniforms)

Black leggings/joggers

Light blue or plain white t-shirt

The Council will not be responsible for loss of or damage to pupils' clothing and personal belongings including mobile phones. Valuable items, including jewellery and unnecessarily expensive articles of clothing, should not be brought to school.

School Clothing Grants are available to parents in receipt of a qualifying benefit; application forms are available from the school or online.

We have free school uniform all year round in our foyer for easy accessibility.

The Council's Dress Code for Schools Policy is available online at [westlothian.gov.uk](http://westlothian.gov.uk).

### **3.1 Equality and Fairness**

All pupils have the right to enjoy opportunities and activities, regardless of their background, race, gender or religion, so that they will be given the freedom to develop their full potential without constraint.

Our aim is to promote self-esteem and a positive self-image in every pupil. Self-respect and respect for others is a priority. We treat boys and girls equally and offer the same opportunities to all pupils by offering a diverse curriculum, which addresses the needs and opinions of all. We aim to maintain an environment which is free from bullying, racism and other forms of discriminatory behaviour. We value your support in maintaining this ethos.

### **3.2 Partnership and Communication with Parents**

The school leadership team are at the doors in the mornings welcoming the children into school.

West Lothian Schools operate an open, responsive policy with regard to questions or concerns that parents may have. Should you have concerns or complaints regarding the service provided you should raise these with the Head Teacher in the first instance.

Newsletters are issued frequently and PATPALs and Parents' Meetings are held regularly. Your comments and suggestions on the work done in school and the service provided for you and your child are welcomed.

Evaluation forms will be sent to you from time to time so that we can be sure that we are listening to what you say about the service provided for you and your child.

### 3.3 Parent Councils

A Parent Council is a group of parents selected by members of the Parent Forum to represent all the parents at a school on a voluntary basis. All parents/carers in a school are automatically members of the Parent Forum of that School.

The purpose of a Parent Council is to:

- support the school in its work with parents
- represent the views of all parents
- encourage links between school, parents, pupils, pre-school groups and the wider community.

Parent Councils operate in accordance with a local constitution. Parents can put themselves forward to be members of the Parent Council in accordance with that constitution.

Further information can be found on the Scottish Parent Teacher Council website <http://www.sptc.info>

## 4.1 General

Every child and young person in Scotland is entitled to experience a broad general education, as described by the Scottish Government's Curriculum for Excellence.

The curriculum is organised into eight broad categories.

### Expressive arts

Includes art and design, dance, drama and music. Your child will get the chance to find out about and express their feelings and emotions and those of others.

### Health and wellbeing

Mental, emotional, social and physical wellbeing, planning for choices and changes, PE, activity and sport, food and health, substance misuse and relationships, sexual health and parenthood.

### Languages

Includes learning about English as well as learning an additional language.

### Mathematics

Includes using real life experiences to make predictions, connect to other things, provide skills to understand and examine information, simplify and solve problems, assess risk and make informed decisions.

### Religious and moral education

Includes exploring the world's major religions as well as views that are non-religious. Your child will think about their own beliefs and values.

Children learn about Christian practice in worship and the place of Christian action in the community. Children will also study other world religions in line with national guidelines.

This part of the curriculum operates through class teaching, assemblies, outside visits and visitors to school.

Any parent who wishes to exercise their right to withdraw their child from religious education/observance should inform the Head Teacher.

## Sciences

Includes learning about the natural world and living things, forces, chemical changes and our senses.

## Social studies

Includes developing understanding of the world by learning about other people and their values, in different times, places and circumstances.

More information about Curriculum for Excellence is available on the Education Scotland website <http://www.educationscotland.gov.uk/learningandteaching/thecurriculum>

Parents/carers will be invited to PATPALs (Pupils as Teachers, Parents as Learners) events throughout the year. Each class will hold an assembly where the children will demonstrate their learning. Sways, Newsletters and Class Planning will be sent home to keep parents/carers updated on what is happening in school.

## 4.2 Instrumental Tuition

The Council offers instruction in bagpipes, brass, percussion, strings and woodwind. Schools will tell children when there is an opportunity to apply for lessons. There is a charge for lessons, but concessions are available. You can find out more from the Instrumental Music Service.

## 4.3 Use of the Internet

Children access information and resources on local and worldwide networks as part of their studies.

We teach children about internet safety and how to report any items that make them feel uncomfortable.

We ask parents to promote the responsible and safe use of the internet at home, including the use of social media if parents permit their children to access it.

Further information on safe use of the Internet is available at: <http://www.thinkuknow.co.uk/>

## 4.4 Assessment and Reporting

Assessment is an integral part of the teaching process and your child will be continually assessed during their school career. This assessment can be both formal and informal and takes many forms; observation, tests, pupil/teacher dialogue, written or spoken tasks and teacher judgement. The result of the assessment process allows teachers to form next steps in your child's learning.

It is the authority's policy to also carry out standardised testing in literacy and numeracy at P1-P7. These results form part of the overall assessment information about your child. Information about your child's progress will be shared between home and school throughout the session. This will include parents' nights and an annual report. The aim of the annual report is to provide details of your child's strengths, development needs and attainment within Curriculum for Excellence. Parents and children are welcome to comment on the annual report.

Parents are welcome to contact their child's school at any time if they have any questions or concerns regarding their child's progress.

## 4.5 Support for Learning

Class teachers are continuously assessing the needs of pupils in their class. The authority provides access to Support for Learning staff and resources for pupils requiring additional support.

Should your child require additional support in a particular area you are invited to discuss this with the class teacher. We consult with parents and carers to ensure the needs of children are met. Each school follows the principles of the Scottish Government's policy of "Getting it Right for Every Child", for more information see the Scottish Government website.

This authority has a policy of inclusion. This promotes the placement into primary and secondary schools of pupils with significant needs. We consult with parents and carers to ensure the needs of children are met. Each school follows the principles of the Scottish Government's policy of "Getting it Right for Every Child", for more information see the Scottish Government website.

## admission procedures

### 5.1 Admission Procedures

West Lothian is divided into catchment areas for primary and secondary schools. The catchment areas for all West Lothian Council schools are available online at [www.westlothian.gov.uk](http://www.westlothian.gov.uk)

Each school is either denominational (linked to a particular religion) or non-denominational (not linked to any particular religion). All the denominational schools in West Lothian are Roman Catholic. Each home address has a catchment denominational school and a catchment non-denominational school, for both primary and secondary education.

The Pupil Placement section deals with all applications for pre-school and wraparound, and deals with applications for the August primary one (P1) and secondary one (S1) intakes. Schools deal with applications for other stages and for P1 and S1 after the pupils start school. To apply for a school, pre-school or wraparound place you must fill in an application form. You can get application forms online at <https://www.westlothian.gov.uk/apply-for-pre-school-and-school-places> or paper forms are available from schools, nursery schools, libraries, Council Information Service Offices and from the Pupil Placement Section.

To contact the Pupil Placement Section e-mail [pupilplacement@westlothian.gov.uk](mailto:pupilplacement@westlothian.gov.uk) or phone 01506 280000. Information is also available on the Council website [www.westlothian.gov.uk](http://www.westlothian.gov.uk)

### 5.2 New Entrants to P1

You can apply for a P1 place from the November of the year before your child is due to start school, and the places are allocated in March of the same year that your child is due to start school.

We have a full schedule of events for transition from ELC to P1. This includes – visits to the P1 area and classrooms over a number of weeks, a transition lunch with parent/carers and an opportunity for them to meet their P7 Buddy.

## admission procedures

### 5.3 Transfer from P7 to Secondary School

You can apply for an S1 place from the November of the year before your child is due to start secondary school. For more information on admission arrangements please see our website [www.westlothian.gov.uk](http://www.westlothian.gov.uk) or contact the Pupil Placement Section [pupilplacement@westlothian.gov.uk](mailto:pupilplacement@westlothian.gov.uk) or phone 01506 280000.

The school's main catchment secondary is The James Young High School. There is a full programme of transition events and visits over the P7 year to ready the children for their move.

### 5.4 Extra-Curricular Activities

There is a Breakfast Club run each morning from 8am (the last entry is 8.20am). We have a Basketball Club and Football teams in school and take part in cluster events throughout the year. We also hold a selection of after school clubs, letters/notifications will be sent out to classes regarding these.

### 6.1 Medication in Schools

Most pupils will at some time have a medical condition that may affect their participation in school activities. For many this will be short-term; perhaps finishing prescribed medication even though the child's doctor regards the child as fit to attend school. Others have medical conditions which, without help, could limit their access to education.

Parents have prime responsibility for their child's health and should provide schools with information about their child's medical condition.

Please tell the school if your child needs medication. Forms for any child requiring medicine to be taken during school time are available from the school website, school office or can be downloaded from **[www.westlothian.gov.uk](http://www.westlothian.gov.uk)**

### 6.2 Emergency Contacts and Arrangements

It is essential that the school has the name, address and telephone number of an adult to be contacted in case of an accident or your child feeling ill. Please ensure records are kept up to date by notifying the school of any change of address and telephone number of your child's emergency contact.

Children will only be sent home early in special circumstances. The school will make every effort to contact you in such situations. Where there is no adult to receive the child, they will be supervised in school until such time as suitable arrangements are made. In the event of extreme weather conditions you may check the council website for information on any school closures.

All schools have a means of contacting parents and carers via text message.

### 6.3 Meals and Milk

All pupils of nursery schools and classes are entitled to 0.25 litres of milk daily free of charge. Children whose parents are in receipt of qualifying benefits may also receive milk free of charge. Milk is available to other primary pupils at a reduced cost.

The school dining area is organised as a self-service cafeteria. This area is supervised by members of staff. Children may have school meals regularly or on odd days when necessary. Children choose from three options each day. This usually includes a non-meat meal. A 3 coloured tray system is used - green- usually a packed lunch, red - a hot two-course meal and blue - a snack type meal. These are on display to allow the children to see the choices. The menu is available on the Council website. If your child has special dietary requirements, please let the school know.

All P1-P3 children, and P4-P7 children whose parents are in receipt of qualifying benefits, are entitled to free school meals. Other children can buy a school lunch.

If a child loses or forgets lunch money, we will provide a meal and inform parents of the cost. This amount must be paid the following day.

Some parents prefer their children to have a packed lunch and facilities are provided in the school for the eating of packed lunches.

Further information and application forms for free school meals and milk can be obtained from the school or from the Council's website **[www.westlothian.gov.uk](http://www.westlothian.gov.uk)**.

### 6.4 Security

The school has a security system which allows all doors to be locked electronically once the children are in school. The locking system is released automatically if the fire alarm goes off. All visitors should report to the school office via the front entrance of the school, sign in and collect a visitor's badge. The school welcomes parents and carers but asks them to help to ensure the security of the school by reporting to the school office.

### 6.5 Photography

West Lothian schools have a photography consent form which is in accordance with data protection and human rights legislation. All parents are asked to sign a consent form before any photographs are taken.

If you have any concerns about photography, please tell the school.

### 6.6 Child Protection Guidelines

The safety of your child at school is a priority for the authority. All West Lothian schools follow the Lothian Child Protection guidelines. A copy can be found on [www.westlothian.gov.uk](http://www.westlothian.gov.uk)

### 6.7 Playground Supervision

Supervision is provided in the school grounds during intervals and the lunch time. If children have an accident or any other problem in the playground they report initially to the supervisor who will take the necessary action. When pupils are at school, the responsibility for their safety rests with the Local Authority. The Head Teacher and staff undertake this responsibility on behalf of the Local Authority.

### 6.8 Transport

West Lothian Council will provide transport assistance for all primary pupils living more than 1.5 miles from their designated school. The provision of transport for pupils attending special schools and classes is not subject to these limitations, but is based on individual pupil need. Further information can be obtained from School Transport (telephone 01506 775291) or from the School Transport policy on [www.westlothian.gov.uk](http://www.westlothian.gov.uk)

Parents, who choose to send their children to a school out with their catchment area, will be responsible for any extra travelling expenses incurred.

### 6.9 Car Park

In the interests of safety parents must not use the car park to access the school this is to keep all of us safe.

### 6.10 Requested Early Release of Pupil

There are occasions when parents wish their children to be released from school at other than normal closing times, to enable them to keep a dental or medical appointment outside school, or for other reasons. In all cases, a written request must be made for early release. Parents must then call at the school office and their child will be brought to them.

On no account should a child leave school premises on their own.

### 6.11 DataSharing

On occasion, schools will make data available to partners and also academic institutions to carry out research and statistical analysis. In addition, schools will provide our partners with information they need in order to fulfil their official responsibilities.

The collection, transfer, processing and sharing of data is done in accordance with the Data Protection Act. For more information on how children's data is handled please see our Privacy Notice [https://www.westlothian.gov.uk/media/21250/Education-Schools-Privacy-Notice/pdf/Education\\_-\\_Schools\\_Privacy\\_Notice1.pdf?m=637049262959500000](https://www.westlothian.gov.uk/media/21250/Education-Schools-Privacy-Notice/pdf/Education_-_Schools_Privacy_Notice1.pdf?m=637049262959500000)
