

Latest News:

Thank you for your support at our recent PATPAL and Bankton Blether where our children loved showing off their learning with you! We have produced a leaflet with all of the ways you find out about your child's learning and progress throughout the session, please see below:

Finding out about your child's progress

At Bankton, we ensure that you get information about your child's progress at the right time. Here are the ways that you can get this information throughout the school year.

Four Context Planning

This is completed in collaboration with your child and will be given termly.

PATPAL

You are invited into school to see and take part in your child's learning every term.

Bankton Blether

This gives you the opportunity to see how your child is progressing in their written work every term.

Family Learning

You are invited to an event which has a curriculum focus.

Event	Date
Emotion Week	10.9.26
Meeting Event	3.2.27
Meta skills Event	19.4.27

Parent/Carer Consultations

Twice per year you will be invited to meet with your child's class teacher to discuss progress.

Progress Reports

You will receive this twice per year and it will detail your child's progress in learning.

Sharing Assemblies

All children are involved in sharing their learning through an assembly.

IEP Meetings

Take place termly when required.
